Dear Ramallah Club Family,

I hope this letter finds you all in the best of health.

The holidays are upon us and the threat of the pandemic is behind us now. Unfortunately, we have lost so many from our community in the last few years. This year celebrating the spirit of the season will likely mean different things to different people, but the season is not only about the trimmings and the presents, but rather about human kindness, giving back and a sense of community.

As we head into 2023, we can focus and reevaluate our lives, set goals, and work towards them. We pray that the New Year brings happier days full of opportunities. Our focus this year is to bring our community closer together by having more fun activities at our club. Enclosed you will find your 2023 dues form. There are several options for paying your dues, one is to complete the enclosed form and mail it to the P. O. Box 27246 San Francisco, CA, another option is to pay on-line at www.ramallahclubsf.com, or third through Venmo @Ramallahclubofsf. Dues for a family, which include husband, wife and children 17 years and younger are \$100 and single membership of anyone over 18 years old is \$50. Please encourage your young adults to pay their dues. You are welcome to make donations as well, any amount is greatly appreciated. The benefit of paying your dues will be a discounted price when you attend events at the club as opposed to being a non-member. These dues along with your support at the events we hold keep our club alive and will help us reach our goal to purchase a new clubhouse.

As 2022 winds down, hope is looking forward for a better year ahead. I'd like to take a moment to thank all my board and all our members for your continue support throughout the years and let you know that the Ramallah Club and our community is always here for you and your families.

Remind yourselves of everything we have collectively survived these past couple of years. We wish you all moments of peace amid the difficulties, connections with family and friends even if they can't be in person, the warmth of memories from the holidays past, and a wonderful glimpse of the joy that still lives under the surface. We hope and pray to get back to normal sooner rather than later. We want to send you all best wishes for a very Merry Christmas and best wishes for a happy healthier New Year.

Warm Regards,

Afif Baba
